

The Williams Family

Missionaries to England

Justin, Holly, David, Jonathan, Nathan & Samuel

May/June 2020

Dear Praying Churches and Friends,

Please forgive the lateness of this letter. The COVID pandemic brought the UK to lockdown in March, but now that this has lessened some, we've begun some exciting building repairs and renovations. Information on the building projects God supplied the money for was something we wanted to accompany this letter, along with a brief video highlighting what God has done. However, the projects have taken much longer than anticipated to finish. Therefore, we delayed the letter so we could send a video of the completed projects with this letter. The short video may be found on our website, www.williamstoengland.com.

Throughout these months, we have promoted an ad on social media entitled, "There Is Hope," with a video of the Gospel, and we encouraged people to take some time to hear the Gospel. This ad was shown over 38,000 times, with over 11,000 people interacting with it! The responses from the ad have been good, and we trust that the Lord will continue using this to reach more for Jesus.

Until the first part of July, we were not able to meet physically and continued our livestream services. We plan to continue livestreaming to further the Gospel. Because of the lockdown, God enabled us to host a livestreamed revival, which God used. The church family was helped, encouraged, and focused on Jesus through these meetings, with hundreds watching online. We thank God for the tremendous tools we have to preach Christ!

God has provided abundantly for two of the three building projects the church has sacrificially been giving towards. The ceiling inside the church has been completely redone, and the front entrance, which was literally falling apart, has been replaced. This has been a very busy time of work, and we praise God for supplying the needs! The next project we are saving and preparing for is the renovation of the bathrooms.

My family and I are doing well, and God has kept us healthy. The boys finished school mid-June, and we'll resume the next school year towards the end of August. David's 14th birthday is coming up, and we're looking forward to celebrating it with him.

Your faithfulness through this season of unusual ministry time has been such an encouragement to us! Thank you for keeping missions as the primary focus and for standing with us in the Gospel. Our heart and prayer for your ministries is that we will come through this season, strengthened in faith in our Lord Christ Jesus. God is good!

Praising the Saviour,

Justin, Holly, David, Jonathan, Nathan, and Samuel Williams
